Good Morning Sonja,

I have not received your paperwork as of yet. I am going down to check the mail again now. Will give you a call anyway, because there has been yet another change.

Sydney

Good Morning, Sydney-

I just wanted to touch base with you as I called and left a message for you on Friday but didn't hear back. I'm hoping that you just wanted to make sure that I got the TAF stuff to you quickly and that there isn't another problem with the paperwork. It was put in the mail on Wednesday, so I'm hoping that you have received it by now. If you need to get in touch with me, I'll be at the lab until about noon today as I have a Superior Court case I'm supposed to testify in this afternoon (unless I hear otherwise before then). Thanks for all of your help.

My apology Sonja, attached wrong form. Here is yours, and yes the information should be in the State/Federal Funds column.

Hello Sonja,

Please find attached your TAF. I just need you to sign and date this under "Signature of Traveler", and get it back to me with all of the other originals as soon as possible.

Let me know if you have any problems with this form.

Thank you,

Sydney

Hi Sydney-

When I Google Mapped the reverse direction, it ended up being an extra mile, so I revised all the sheets that listed the expenses and attached them as well. Please let me know if you can't see the shaded areas. Thanks for all of your help.
